

INDEX TO VOLUME 52

The volume is indexed by SUBJECTS, AUTHORS, and BOOK REVIEWS, in that order.

SUBJECTS

Adolescents

- Chronically ill children in groups: recurrent issues and adaptations, 704
- Clinical use of social-ecological concepts: the case of an adolescent girl, 111
- Ecological intervention with adolescents in low-income families, 131
- Effects of the nuclear war threat on children and teenagers: implications for professionals, 608
- Evaluation of adolescent inpatient services, 337
- Perception of U.S.-Soviet intentions: and other psychological dimensions of the nuclear arms race, 590
- Psychiatric consultation to the child with acute physical trauma, 298
- Psychosocial factors related to substance abuse among delinquent females: implications for prevention and treatment, 261

Aging

- New mendicancy: homeless in New York City, 393

American Orthopsychiatric Association

- Children, communications, communities: enhancing the environments for learning, 646
- Ortho's president, 1982-83, 196

Anorexia Nervosa

- Treatment of ego deficits in anorexia nervosa, 356

Attachment and Bonding

- Attachment and loss: retrospect and prospect, 664
- Infant bonding: mystique and reality, 213
- Premature mourning and failure to mourn: their relationship to conflict between mothers and intellectually normal children, 679

Behavioral Problems/Symptoms

- Clinical phenomenology of childhood depression, 308
- Ecological intervention with adolescents in low-income families, 131
- Evaluation of adolescent inpatient services, 337
- Factors associated with children's adherence to stimulant medication, 447
- Positive reframing with children: conceptual and clinical considerations, 314
- Psychosocial factors related to substance abuse among delinquent females: implications for prevention and treatment, 261
- Some environmental and familial correlates and antecedents of hyperactivity, 272

Bereavement

- Coping with the death of a child: a study over time, 688

- Forgotten brief: a review of the psychology of stillbirth, 420
- Premature mourning and failure to mourn: relationship to mother-child conflict, 679
- Staff groups in a pediatric hospital: content and coping, 712

Breast-Feeding

- Sociopsychological determinants of women's breast-feeding behavior: a replication and extension, 244

Child Abuse/Neglect

- Case of fetal abuse?, 699
- Child abuse and neglect statutes: legal and clinical implications, 73
- Children, parents, and the state, 496
- Experiencing child abuse: effects on emotional adjustment, 82

Child Rearing and Development

- Attachment and loss: retrospect and prospect, 664
- Children, communications, communities: enhancing the environments for learning, 646
- Children under fire: the role of the schools, 409
- Chronically ill children in groups: recurrent issues and adaptations, 704
- Effects of the nuclear war threat on children and teenagers: implications for professionals, 608
- Experiencing child abuse: effects on emotional adjustment, 82
- Expressive language deficits in preschool children and faulty development of the self: description and case study, 58
- Growing up with the threat of nuclear war: some indirect effects on personality development, 600
- Infant bonding: mystique and reality, 213
- New maps of development: new visions of maturity, 199
- Of children and liberty: an historian's view, 470
- Premature mourning and failure to mourn: their relationship to conflict between mothers and intellectually normal children, 679
- Psychological parenting and permanency principles in child welfare: a reappraisal and critique, 223
- Psychological recovery in low-income single parents, 346
- Sociopsychological determinants of women's breast-feeding behavior: a replication and extension, 244
- Single-father caretakers: demographic characteristics and adjustment processes, 236
- Temperament profiles of hyperactive children, 458

Children (see Infants)

- Attachment and loss: retrospect and prospect, 664
- Child abuse and neglect statutes: legal and clinical implications, 73
- Children, communications, communities: enhancing the environments for learning, 646
- Children, parents, and the state, 496
- Children under fire: the role of the schools, 409
- Children's rights in the family and society: dilemmas and realities, 481
- Children's rights (Introduction), 468
- Children's rights: where are the children?, 530
- Chronically ill children in groups: recurrent issues and adaptations, 704
- Clinical phenomenology of childhood depression, 308
- Coping with the death of a child: a study over time, 688
- Development of children's enjoyment and comprehension of thematic riddles, 92
- Effects of the nuclear war threat on children and teenagers: implications for professionals, 608
- Ethical implications of the children's rights movement for professionals, 518
- Experiencing child abuse: effects on emotional adjustment, 82
- Factors associated with children's adherence to stimulant medication, 447
- From courthouse to schoolhouse: using the legal system to secure the right to an appropriate education, 506
- Growing up with the threat of nuclear war: some indirect effects on personality development, 600
- Human ecology: primary prevention in pediatrics, 141
- Influence of family variables on an ecologically-based treatment program for emotionally disturbed children, 123
- Issues in the psychological care of pediatric oncology patients, 32
- Labeling the learning disabled child: the social ecology of educational practice, 146
- New maps of development: new visions of maturity, 199
- Perception of U.S.-Soviet intentions and other psychological dimensions of the nuclear arms race, 590
- Positive reframing with children: conceptual and clinical considerations, 314
- Premature mourning and failure to mourn: their relationship to conflict between mothers and intellectually normal children, 679
- Preschool children and faulty development of the self: description and case study, 58
- Prevalence and treatment of learning problems in upper and lower income areas, 719
- Primary prevention in mental health: a Head Start demonstration model, 360
- Psychiatric consultation to the child with acute physical trauma, 298
- Psychological parenting and permanency principles in child welfare: a reappraisal and critique, 223

- Role of neurological-developmental delay in childhood psychology, 102
- Some environmental and familial correlates and antecedents of hyperactivity, 272
- Staff groups in a pediatric hospital: content and coping, 712
- Suitcase story: a therapeutic technique for children in out-of-home placement, 353
- Temperament profiles of hyperactive children, 458

Children's Rights

- Child abuse and neglect statutes: legal and clinical implications, 73
- Children, parents, and the state, 496
- Children's rights in the family and society: dilemmas and realities, 481
- Children's rights (Introduction), 468
- Children's rights: where are the children?, 530
- Ethical implications of the children's rights movement for professionals, 518
- From courthouse to schoolhouse: using the legal system to secure the right to an appropriate education, 506
- Of children and liberty: an historian's view, 470

Cognitive Development

- Development of children's enjoyment and comprehension of thematic riddles, 92
- Effects of the nuclear war threat on children and teenagers: implications for professionals, 608
- Expressive language deficits in preschool children and faulty development of the self, 58
- Growing up with the threat of nuclear war: some indirect effects on personality development, 600
- Labeling the learning disabled child: the social ecology of educational practice, 146
- Positive reframing with children: conceptual and clinical considerations, 314
- Prevalence and treatment of learning problems as reported by residents in upper and lower income groups, 719

Community Mental Health

- Chronic schizophrenics in the community: are they able to report their social adjustment?, 166
- Delivery of social support: the social inoculation, 20
- New mendicancy: homeless in New York City, 393
- Testimony for the neglected: the mentally ill in the post-deinstitutionalized age, 388

Confidentiality

- Child abuse and neglect statutes: legal and clinical implications, 73

Delinquency

- Ecological intervention with adolescents in low-income families, 131
- Psychosocial factors related to substance abuse among delinquent females: implications for prevention and treatment, 261

Depression

- Clinical phenomenology of childhood depression, 308

Postpartum psychoses in female and male bipolar manic-depressive patients, 288

Divorce/Custody

Attorneys as caregivers during divorce, 323
Children, parents, and the state, 496
Family social support in crises: the special case of divorce, 161

Psychological parenting and permanency principles in child welfare: a reappraisal and critique, 223

Single-father caretakers: demographic characteristics and adjustment processes, 236

Suitcase story: a therapeutic technique for children in out-of-home placement, 353

Drug/Alcohol Abuse

Case of fetal abuse?, 699

Psychosocial factors related to substance abuse among delinquent females: implications for prevention and treatment, 261

Drug Treatment

Clinical applications of psychiatric genetics, 45

Factors associated with children's adherence to stimulant medication, 447

Postpartum psychoses in female and male bipolar manic-depressive patients, 288

Ecological Treatment

Clinical use of social-ecological concepts: the case of an adolescent girl, 111

Ecological intervention with adolescents in low-income families, 131

Human ecology and the mental health professions, 109

Human ecology: primary prevention in pediatrics, 141

Influence of family variables on an ecologically-based treatment program for emotionally disturbed children, 123

Labeling the learning disabled child: the social ecology of educational practice, 146

Education

Children, communications, communities: enhancing the environments for learning, 646

Children under fire: the role of the schools, 409

Effects of the nuclear war threat on children and teenagers: implications for professionals, 608

From courthouse to schoolhouse: using the legal system to secure the right to an appropriate education, 506

Labeling the learning disabled child: the social ecology of educational practice, 146

Prevalence and treatment of learning problems in upper and lower income areas, 719

Families/Family Therapy

Children, parents, and the state, 496

Children's rights in the family and society: dilemmas and realities, 481

Children's rights: where are the children?, 530

Ecological intervention with adolescents in low-income families, 131

Factors associated with children's adherence to stimulant medication, 447

Family social support in crises: the special case of divorce, 161

Influence of family variables on an ecologically-based treatment program for emotionally disturbed children, 123

Of children and liberty: an historian's view, 470

Postpartum psychoses in female and male bipolar manic-depressive patients, 288

Psychological recovery in low-income single parents, 346

Reflections on boundaries, 655

Single-father caretakers: demographic characteristics and adjustment processes, 236

Groups/Group Therapy

Chronically ill children in groups: recurrent issues and adaptations, 704

Coping with the death of a child: a study over time, 688

Evaluation of adolescent inpatient services, 337

Psychological recovery in low-income single parents, 346

Hospital/Residential Treatment

Chronically ill children in groups: recurrent issues and adaptations, 704

Evaluation of adolescent inpatient services, 337

Evolution of an emergency room psychiatric staffing, 172

Human ecology: primary prevention in pediatrics, 141

Issues in the psychological care of pediatric oncology patients, 32

Positive reframing with children: conceptual and clinical considerations, 314

Psychiatric consultation to the child with acute physical trauma, 298

Staff groups in a pediatric hospital: content and coping, 712

Infants (see Children)

Attachment and loss: retrospect and prospect, 664

Coping with the death of a child: a study over time, 688

Human ecology: primary prevention in pediatrics, 141

Infant bonding: mystique and reality, 213

Premature mourning and failure to mourn: their relationship to conflict between mothers and intellectually normal children, 679

Sociopsychological determinants of women's breast-feeding behavior: a replication and extension, 244

Law and Legislation

Attorneys as caregivers during divorce, 323

Case of fetal abuse?, 699

Child abuse and neglect statutes: legal and clinical implications, 73

Children, parents, and the state, 496

Children's rights in the family and society: dilemmas and realities, 481

Children's rights: where are the children?, 530

From courthouse to schoolhouse: using the legal system to secure the right to an appropriate education, 506

Of children and liberty: an historian's view, 470

Moral reasoning

New maps of development: new visions of maturity, 199

Nuclear Weapons (see War)

Organic Illness

Chronically ill children in groups: recurrent issues and adaptations, 704

Clinical applications of psychiatric genetics, 45

Issues in the psychological care of pediatric oncology patients, 32

Psychiatric consultation to the child with acute physical trauma, 298

Role of neurological-developmental delay in childhood psychopathology, 102

Staff groups in a pediatric hospital: content and coping, 712

Temperament profiles of hyperactive children, 458

Poverty

Ecological intervention with adolescents in low-income families, 131

New mendicancy: homeless in New York City, 393

Prevalence and treatment of learning problems in upper and lower income areas, 719

Psychological recovery in low-income single parents, 346

Pregnancy/Childbirth

Attachment and loss: retrospect and prospect, 664

Case of fetal abuse?, 699

Forgotten grief: a review of the psychology of stillbirth, 420

Infant bonding: mystique and reality, 213

Postpartum psychoses in female and male bipolar manic-depressive patients, 288

Premature mourning and failure to mourn: their relationship to conflict between mothers and intellectually normal children, 679

Sociopsychological determinants of women's breast-feeding behavior: a replication and extension, 244

Professional Ethics

Ethical implications of the children's rights movement for professionals, 518

How elective public office allays conscience, 549

Value of touch in psychotherapy, 65

Professional Practice

Attorneys as caregivers during divorce, 323

Case of fetal abuse?, 699

Effects of the nuclear war threat on children and teenagers: implications for professionals, 608

Ethical implications of the children's rights movement for professionals, 518

Evolution of an emergency room psychiatric staffing, 172

Method of monitoring the impact of sex-role stereotypes on the therapeutic behavior of beginning psychotherapists, 545

Reflections on boundaries, 655

Social roles of women in medicine, psychiatry, and social work, 430

Staff groups in a pediatric hospital: content and coping, 712

Value of touch in psychotherapy, 65

Psychotherapy

Method for monitoring the impact of sex-role stereotypes on the therapeutic behavior of beginning psychotherapists, 545

Suitcase story: a therapeutic technique for children in out-of-home placement, 353

Value of touch in psychotherapy, 65

Research

Attachment and loss: retrospect and prospect, 664

Attorneys as caregivers during divorce, 323

Chronic schizophrenics in the community: are they able to report their social adjustment?, 166

Clinical use of social-ecological concepts: the case of an adolescent girl, 111

Coping with the death of a child: a study over time, 688

Development of children's enjoyment and comprehension of thematic riddles, 92

Evaluation of adolescent inpatient services, 337

Evolution of an emergency room psychiatric staffing, 172

Experiencing child abuse: effects on emotional adjustment, 82

Factors associated with children's adherence to stimulant medication, 447

Family social support in crises: the special case of divorce, 161

In defense of the case study method, 440

Influence of family variables on an ecologically-based treatment program for emotionally disturbed children, 123

Method for monitoring the impact of sex-role stereotypes on the therapeutic behavior of beginning psychotherapists, 545

Postpartum psychoses in female and male bipolar manic-depressive patients, 288

Prevalence and treatment of learning problems in upper and lower income areas, 719

Psychosocial factors related to substance abuse among delinquent females: implications for prevention and treatment, 261

Psychological parenting and permanency principles in child welfare: a reappraisal and critique, 223

Role of neurological-developmental delay in childhood psychopathology, 102

Social roles of women in medicine, psychiatry, and social work, 430

Sociopsychological determinants of women's breast-feeding behavior: a replication and extension, 244

Some environmental and familial correlates and antecedents of hyperactivity, 272

Temperament profiles of hyperactive children, 458

Schizophrenia

Chronic schizophrenics in the community: are they able to report their social adjustment?, 166

Self-Help Groups (see Group Therapy)

Sex Role

Method for monitoring the impact of sex-role stereotypes on the therapeutic behavior of beginning psychotherapists, 545

New maps of development: new visions of maturity, 199

Postpartum psychoses in female and male bipolar manic-depressive patients, 288

Psychological recovery in low-income single parents, 346

Single-father caretakers: demographic characteristics and adjustment processes, 236

Social roles of women in medicine, psychiatry, and social work, 430

Stress effects of sexual harassment on the job: implications for counseling, 539

Social Policy

Beyond psychic numbing: a call to awareness, 619

Delivery of social support: the social inoculation, 20

Effects of the nuclear war threat on children and teenagers: implications for professionals, 608

Endemic stress: the psychology of resignation and the politics of scarcity, 4

Fantasy, reality, and the arms race: dilemmas of national security and human survival, 582

Growing up with the threat of nuclear war: some indirect effects on personality development, 600

New mendicancy: homeless in New York City, 393

Nuclear war in human perspective: a survivor's report, 638

Perception of U.S.-Soviet intentions and other psychological dimensions of the nuclear arms race, 590

Prenuclear-age leaders and the nuclear arms race, 630

Preparing for nuclear war: the psychological effects, 580

Testimony for the neglected: the mentally ill in the post-deinstitutionalized age, 388

Stress

Beyond psychic numbing: a call to awareness, 619

Children under fire: the role of the schools, 409

Coping with the death of a child: a study over time, 688

Delivery of social support: the social inoculation, 20

Effects of the nuclear war threat on children and teenagers: implications for professionals, 608

Endemic stress: the psychology of resignation and the politics of scarcity, 4

Family social support in crises: the special case of divorce, 161

Fantasy, reality, and the arms race: dilemmas of national security and human survival, 582

Growing up with the threat of nuclear war: some indirect effects on personality development, 600

Nuclear war in human perspective: a survivor's report, 638

Perception of U.S.-Soviet intentions and other psychological dimensions of the nuclear arms race, 590

Prenuclear-age leaders and the nuclear arms race, 630

Preparing for nuclear war: the psychological effects, 580

Psychological recovery in low-income single parents, 346

Staff groups in pediatric hospitals: content and coping, 712

Stress effects of sexual harassment on the job: implications for counseling, 539

War

Beyond psychic numbing: a call to awareness, 619

Children under fire: the role of the schools, 409

Effects of the nuclear war threat on children and teenagers: implications for professionals, 608

Fantasy, reality, and the arms race: dilemmas of national security and human survival, 582

Growing up with the threat of nuclear war: some indirect effects on personality development, 600

Nuclear war in human perspective: a survivor's report, 638

Perception of U.S.-Soviet intentions and other psychological dimensions of the nuclear arms race, 590

Prenuclear-age leaders and the nuclear arms race, 630

Preparing for nuclear war: the psychological effects, 580
